Listening to C-Span - I think God  
we have big Partisan on that Senate  
Committee. People don't listen - They  
sound Ignorant to facts at what is  
happening - Thank God we have two  
Partys - They want to crucify a  
man. a Kennedy - That has had  
2 Brothers Murdered serving this  
Country, a Son who lost his leg with  
Cancer has been Fracted by Un-  
just New Reporters - <sup>that</sup> sound that  
Family - Has done more for pro-  
grams than Reagan or Bush ever  
did - This younger Generation are  
Ignorant - Don't listen - Don't re-  
ally follow Politics of Government.  
Won't wake up to what this Country  
has lost in the past 10 years. What  
where the Money goes. Who signs  
the Checks - They all repeat what  
they hear, each one repeats the  
other one - You Reporters keep to  
one for - ~~None~~ Against - I'll tell you right  
now. If you have any Intelligence at  
all if you'll pray there will be a balanced

Supreme Court - Today there is no  
such thing as a Liberal or a Con-  
servative. This Country is to Deep in  
Debt. Foreign America the Banks. All  
Trust fund. Under Reagan + Bush. Trust  
fund - are used to make the Pay Roll -  
Now Reagan - Plaster Card 808. - Moots  
was Barrow out of Debt - Like Nancy  
Barrow + not give back - Bush broke  
the Budget - When he Barrowed for Jan  
Foreign World Debts, for his War - Accord-  
ing to Constitution. Who Declares War?

This Nominee for a Justice is a joke -  
There are + You + I know better qualified  
men. That wouldn't be dictated to  
by George Bush - He bashed Congress  
I vote for that Man I put in Congress &  
Senate. I have that right. That is the Voice  
of We the People - Im fed up with the  
way the Political Campaigns are run  
on Television. Garbage - Garbage -  
Cartoons. Family Bashing. A Lot of  
Partisan Reporters + T. V. Sponsors -  
Editors - New Casters - This is an-  
other Hoover Depression - It will be  
Worse far Worse before it gets better  
A New World Order - Better Words -

This man being questioned, can be  
molded to continue on with White  
House Policies - Not being able to use  
his own mind to perform duty &  
justice for Constitution of America -  
He Cries for his Honor - What About  
a Woman that has held this in her  
sole for 10 yrs - What have they done  
to investage her - I could Nail a  
man Name etc for rap 40 years ago  
lift me with a Son - I worked & pay  
for that Child - all my life. It Cost  
that man nothing - There are a lot  
of men out there that have done the  
same thing. Walk Around with a  
Clean Shirt - but I Carried that Child -  
He has no right Talking About his  
reputation - his Clean Shirt - She  
lived with his Words - No proof - It  
all happens in dark places -

Let's Clean up as much as we  
can - Is much negative reporting -  
People as a rule are Proud of the  
President - I'm not proud of him since  
he Thumbed his Nips at Congress &  
took our Troops over Sea's - He didn't  
want to talk to Congress & still don't -  
He backed a Government Institution

You know by this letter since Oct -  
I am no longer a Republican -  
I don't like Politician like Aaron Hatch -  
Some others that are trying to dis-  
troy the Institutions of Government -  
like Senate or Congress - This is a  
Good Government, because the  
White House Gang - Can't rule like  
Dictate it want to distroy are Gover-  
ment bodys -

Hatch Bashing the Senate should  
be removed from the Panckl -  
This Country can not be ruined any  
more than it has by Hatches  
statement - Ignorant People -  
young People - don't ferrit out  
reason or unreason - Twisted  
statements. She Convicted before  
she's investigated that's Republican  
Politics. Sen. Spector has her Convicted  
before he Investigated her - Is this  
right - Republicans have renigued  
again -
