I WATCH C-SPAN BECAUSE politics will ultimately affect everyone so watching anything else is secondary in importance.

I WATCH C-SPAN BECAUSE it completely covers a political debate or occasion thus letting me form my own opinion and interpretation. C-SPAN does not chop the coverage of an event up to reflect a certain viewpoint or show only the glittery parts.

I WATCH C-SPAN BECAUSE I like television to enhance my mind, not make me feel mindless.

I WATCH C-SPAN BECAUSE I don't like to hear that a political speech was made, I like to hear that speech

I WATCH C-SPAN BECAUSE when I stay up until four in the morning and feel like watching television, I want good company.

I WATCH C-SPAN BECAUSE I like to watch television, not commercials.

I WATCH C-SPAN BECAUSE I want to be as close to the political process as I can be. C-SPAN takes away the distance I used to feel from Washington, D.C. and pertinent political events.

MOST IMPORTANTLY, I do not watch C-SPAN, I absorb it.
