

10-26-93

Why do you continue to try to "cover" Republicans who have started to campaign for '94 and '96 - you reported that Newt would be talking about the Republican Health care plan on Tuesday, October 26th at the Blue Cross Conference.

The most he talked about was the President's Health plan that won't be out until Wednesday. - He has analyzed, criticized and picked apart in a most partisan, political way. Do you really believe that the people are informed or educated

with a bigot as this.
Seargian is. He's on a
campaign - you know it.
Do you mean to tell
the people that a
program like this with
newt as speaker, was
the best you could
show to the public?

If this is the case,
you need to make
gross changes in
your programming.

Who decides what
programs are scheduled
to show to the public?

we have many
options for entertainment
programs - you don't
need to provide bigoted
clowns for us to laugh
at or hate - Try to evaluate
yourself -
