President Bill Clinton
The White House
Washington, D.C.

Dear President Clinton:

Deep Throat is a hoax.

Nixon had to go - he was relentlessly pressuring the CIA into calling off the FBI Watergate investigation by warning it could lead to the Bay of Pigs - code for the JFK assassination in the Nixon tapes. (Bob Haldeman in The Ends of Power)

Bob Woodward shows his true colors in Shadow. He ignores J.Edgar Hoover's memo to the State Dept. - the smoking gun that George Bush was head honcho in the CIA Caribbean arena at the time of the JFK assassination. He plays up the Monica story - the bloodless coup d'etat designed to topple President Clinton.

In a TV blitz reeking with malice, Woodward recycles Ken Starr's garbage. Woodward is clever and deceitful just like his CIA handlers.

Sincerely,

COPIES: Attorney General Reno

Subject: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY
NOVEMBER 22, 1963

Nov 29 1 31 PM '63
REC'D-READING ROOM
FBI

Our Miami, Florida, Office on November 23, 1963, advised that the Office of Coordinator of Cuban Affairs in Miami advised that the Department of State feels some misguided anti-Castro group might capitalize on the present situation and undertake an unauthorized raid against Cuba, believing that the assassination of President John F. Kennedy might herald a change in U. S. policy, which is not true.

Our sources and informants familiar with Cuban matters in the Miami area advise that the general feeling in the anti-Castro Cuban community is one of stunned disbelief and, even among those who did not entirely agree with the President's policy concerning Cuba, the feeling is that the President's death represents a great loss not only to the U. S. but to all of Latin America. These sources know of no plans for unauthorized action against Cuba.

An informant who has furnished reliable information in the past and who is close to a small pro-Castro group in Miami has advised that these individuals are afraid that the assassination of the President may result in strong repressive measures being taken against them and, although pro-Castro in their feelings, regret the assassination.

The substance of the foregoing information was orally furnished to Mr. George Bush of the Central Intelligence Agency and Captain William Edwards of the Defense Intelligence Agency on November 23, 1963, by Mr. V. T. Forsyth of this Bureau.
