Dear Mr. Lamb,

On behalf of not only myself, but my chapter of Close-up, I wish to thank you for the time and effort you put into making the May 9-15 section of the Close-Up year such a special one. I learned more in one week about the democratic process than I could have learned in a year's worth of time spent droning on in a boring classroom. The experience I gained was so helpful to me in my future endeavors as a person trying to make a difference. Again, thank you very much.

Sincerely,

Newfane, VT. 05345
