Dear Mr Lamb,

I want to take this opportunity
to tell you how much my whole
family as well as so many of our
neighbors enjoy C Span's "Booknotes"
We have purchased several of the
books for in-depth reading following
an appearance of the author on your
show. You introduced us to some

very rewarding reading. You are a
superb interviewer.

I am wondering if you will be
interviewing Rush Limbaugh regarding
his best seller, "How Things Ought To
Be" I was given the book as a
Christmas gift and found it very
interesting, perhaps controversial, but
certainly an ideal choice for a
Booknote appearance. It has been
suggested that conservative commentary
on today's political and national
debates will not be aired but I
have found your program to fairly
distribute your book reviews among
a broad spectrum of political writers.
How about it?

Once again, C Span has become a big
part of our T.V. viewing.

Mr Brian Lamb
