Brian Lamb:

Couldn't you have done better than that goddam trash that you had on your Journalis't Roundtable on Friday, 3/20? You couldn't have come up with anyone meaner!!! I DO NOT WANT RICH THOMAS (or anyone else) TO TELL ME THAT THE OCTOBER SURPRISE DID NOT HAPPEN. I will make up my own mind and I surely wouldn't believe the filth that you had on your show Friday. They are nothing but a band of shills for this totally, completely corrupt Republican Party. There is no way that ANY DECENT PERSON would belong to a goddam corrupt organization like that. And I am inclined to think that if you were any better, you would not have those shills from that sleazy, filthy Washington Times on your show. You filthy human beings have NO QUALMS WHATSOEVER ABOUT DESTROYING THE LIVES OF GOOD AND DECENT PEOPLE. WE saw that with RMN HERE IN Calif.
