DEAR MR. LAMB,
this morning watched C-SPAN-
for the last time. Looks like the
REPUBLICANS dominate YOUR AGENDA-
On the CREATION - VS - Evolution had
2 sides. (THAT WAS O.K.)

John Engle ruined our state. While
he spent more time in Washington -
he spent ALL OUR SURPLUS - the
LEGISLATURE GAVE THEMSELVES A 37%
RAISE - I voted for him twice - but
after voting for more REPUBLICANS than
DEMOCRATS - (AS BAD AS THEY ARE) wouldn't
vote for one AGAIN. He was on this MORNING.
After having voted - in every MAJOR
election ALL my life - will probably
not vote AGAIN.

Deny as will - You ~~took~~ ^{don't}
TAKES SIDE - Your PROGRAMMING
digs PROVES that. LOOK AT what
they did to PBS.

STRAWBERRY

YOU ARE SPONSORED 8-10-05
 by the Cable Networks.
 You would want me to
 believe (they are owned by Republicans)
^(basically)
 that they haven't lagged on you.
 I AM A Senior Citizen AND A CANCER
 SURVIVOR - trying to stay in my home.
 The young - like my children are
 working so hard to keep what
 they have - they don't have time
 to know what's going on.
^{WTF?} _{(homesafe) T.G.}
 MY GRANDSON served in Iraq - AM
 for the soldiers, but not the war.
 You folks could care less about
 the average American - I feel sorry
 for you.

The Administration AND People

like you aren't worth one drop

of blood shed by your men and
 women in the armed forces.

Sincerely - My God Bless you
 you - but you have to keep your
 job.
