Brian -

It's a 'no-go' on those
three lines. You tried it
once before a few years
ago and the public didn't
like it then and I don't
like it now.

If you and your co-left
leftists have to make it fair
for your guy Bill, it is not
a good representation of what
is going on.

I'm with one caller this
morning. If you continue, I'm
gone

Had to open this Brian to
add this - The woman who
suggested an on-the-air debate
sent me to my remote. You were
not in control at all - Crossfire,
Capital Gang, et al. have lost control
of their shows, and you followed
suit. That woman was rude,
arrogant and the man was too
polite to cut her off. She had no
problem interrupting him however.
You finally tried to keep her quiet,
but you were too swamped to cut
her off. Bad idea Brian, I'm
really gone.
