Learning today - as always  
— your guest related the story (sounded)  
of female - at night arrested  
prostitution? Nato of interest;

I was in Mexico City mid  
70's — R.E. convention, group of  
women arrested - for being on the  
street without male escort.

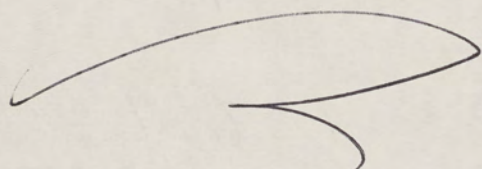

They had to purchase prostitution  
card — This country is Catholic

Enjoy your  
show

Also Mexico women couldn't go into  
Nice restaurant evening wearing  
Pants — IE Pantsuits

Also remind you that  
(Pants Suits) ~~restaurants~~ problems in US  
in 60's as well

remember?
