C-SPAN

LAST nite I "discovered" the News From Moscow, and
I love it! I will be watching it @ 6:00 pm
EVERY nite now!

If you could - I'd like to have the RUSSIAN-only
sound track on "SAP". You could also do with a
Real RUSSIAN translator.

By the way - Please don't cut ANY of it - I
WANT the INTERNATIONAL SPORTS COVERAGE and was
FASINATED by the WEATHER - its so much like ours.

Thanks
