Mr. Brian Lamb

40 C-Span - 200 N. Capitol St., N.W. Wash. DC

Dear Mr. Lamb:

I am an averaged citizen, a retired toolmaker, combat veteran of WWII, with a wife and grown family.

I commend you and the entire C-Span staff for the service that you are rendering to the American public in allowing the truth to be aired, as much as possible, for whatever is going on in our nation and in the world at large, without slant, without opinion except for callers, and done in the highest level of manner and programming that allows the facts to speak for themselves. Bravo!

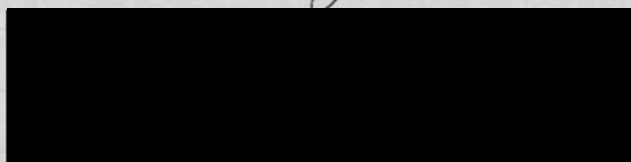

We feel privileged and thankful to all of you for your distinguished service to us, the public.

In fact, I personally owe you a debt of gratitude for being

able to turn on your programs during the past campaigning of the 1992 mid-term election which allowed me to maintain my sanity under the pressure of the onslaught of negative TV ads.

In addition, thru C-span I am grateful for the education that I am receiving on the workings of our federal government, especially in viewing the House and Senate in action. It's great!

Respectfully yours,

Doyletown, Pa.
