along without Peggy Noonan.

Dear Brian: 2/11/92

Am watching your
high school Concord
program & I
think it was unfair
to have that Indiana
GOP member
proselatizing for Bush
all through the program.

I hope someone
will save us from
Bush. They ought
to ask him the same
question about
unfaithfulness that
they asked Clinton.
He had made untrue
statements.

Sincerely
