Dear Sirs,

May I suggest the morning interview program of newspeople, senators, and representatives include members of each party. The interview of Newt Gingrich this morning reeked of political venom. Conservative inconsistencies, as well as liberal, had best be checked when the shot is taken. Allowing him into the ring to posture is shameful demagogery, political poison, class propaganda, on the part of C-Span. Put two fighters in the ring - that's democracy!
