I am so disgusted with you. How you know you didn't let one democrat call in when Mr Nussle was on. I was so sick of him grand standing and mouthing off.

Don't you feel ashamed you don't let anyone else in but Republicans? In a way you are helping the democrats by making us so angry that we would never vote Rep.

I realize the Rep are wealthy and can call but I'm sure there are some ^{democrats} who call that you never let in. I'm sick of C-Span. It's a Rep. monopoly. Nussle is obnoxious. How about more even guests and calls on

your station. We had the
whole show - you wouldn't
have needed a second
guest.
I can't believe it.

I can't believe I
use to be a Rep. - it
makes me feel ashamed.

Once in awhile
when you have a democrat
on that can hold their
stool all the Rep. call
and whine. If they only
knew how obnoxious
they were.
