Dear C. Span

What a great Book notes
show with Roy Reed on Gov.
Faubus. Immensely enjoyable.

For Brian Lamb's information
Eugene V. Debs was pardoned
by Pres. Harding in 1921. (I
wonder if Debs had won
the 1920 election, if he
could have pardoned himself
since he would be President)
that's for the legal scholars,
I guess.

Another fine show was the
interview with Robert Caro -
on a few weeks ago in the

G.B.K.

morning with Brian Lamb.
Excellent in every way.

Also enjoyed the "Saving
America's Treasures" tour with
Mrs. Clinton

Keep it going, it's
great

Sincerely,
