

Sept. 28-'92

We get so disgusted at the callers who
complain and distort Bush's 4 years -

Bush has done a good job as Pres. ! He
has done as good a job as anyone could.
He is NOT a dictator, he can't tell the
business community what to do etc. It is
simply a lie of the Democrats to sneer
Pres. Bush, and the people are so dumb as
to believe it - Our taxes will really go UP
if Clinton becomes Pres. He wants to be all

things to all
smiling please
and happy
