

Dear C-Span people:

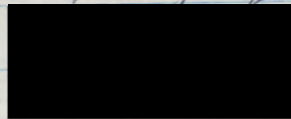

In response to your televised free trip I will dedicate you people the time that you so much deserve.

In my best years of T.V. watching, about 30 to 40 hours a week, I never dreamed of having the selection of channels that now I have.

I watch C-Span because; C-Span provides its customers with the most complete information cable system in the world. C-Span with its 24 hour a day programming allows a person to watch the news at any time of morning, day and evening. C-Span means being up to date in the world.

Thanks for taking some of your time, I hope you pick this explanation of why I truly watch C-Span.

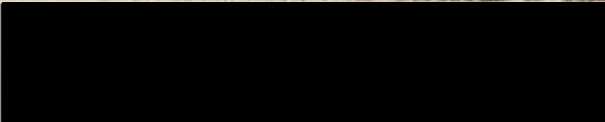

Truly Yours
