Dear Mr. Lamb:

I spent a week in September participating in a program run by the Close Up Foundation. It was a very rewarding and educational experience, one I would definitely repeat and recommend to others.

Our group participated in a televised discussion by C-SPAN about Government Reform and moderated by John Milewski. I just finished watching the program and think it was very well done. This was a really great opportunity for all of us to participate in a worth-while discussion.

Please continue to support the efforts of the Foundation in every way you possibly can. It is such a worthwhile organization and accomplishes a great deal in the field of education about our government. We can all benefit from learning more about the process.

Thank you.

Sincerely,
