

To Brian Lamb - C-SPAN

By sports, the writer means football, basketball, golf, tennis, foot racing (TRACK) swimming, automobile and horse racing, and other out-door sports such as skiing, jumping, fishing, hunting, butterfly study, mountain climbing; boating, and what ever.

In your C-SPAN Interviews with the NATION'S NEWS PAPER NEWS EDITORS and Writers - You could really bring my CONCERNS into perhaps more realistic focus in terms of an "OPEN SESAME" for both NEWSPAPER READERS and their Writers, and TV VIEWERS - SIMULTANEOUSLY

LET'S BEGIN THE DEBATE! → American Children & Television → LET'S BEGIN THE DEBATE!  
CIVIL CAPTIVES IN THE LIVING ROOM

The dramatically exaggerated VIOLENCE and the equally loud VOCALIZATION of their OUTERANCES accompanying this VIOLENCE, by the participants, in BOTH the COMMERCIAL and ENTERTAINMENT aspects of TELEVISION, may, IN FACT, be destroying the NERVOUS SYSTEMS of the NATION'S CHILDREN, and thereby creating an EVERPRESENT sense of AGITATION and loss of MENTAL and EMOTIONAL STABILITY, plus ATHA NATION!

It may be that we are actually witnessing utrenching distortions in the psychological development of the NATION'S CHILDREN, emanating from much VIOLENCE not connected with or related to, the NORMAL violence of SPORTS; but by much of the NON-SPORTS television, in which, SKITS, DRAMA, & DIALOGUES are forced to grab the attention of the ADULT VIEWER; and in which individual assault, murder, mayhem, in too many instances, seems to be the order of the day!!! It may be that HELL ON EARTH IS ALREADY HERE with only a small minority of our children capable of coping with the real world away from the TV SCREEN!!!

→ are we humanizing or animalizing the PSYCHES of our NATION'S CHILDREN?
