Brian Lamb
C-Span
Washington, D.C.

Dear Mr. Lamb-

I'm a long time listener & put C-Span
on first thing every morning, as it is the
only unbiased news we can get.

Until now.

Have you considered the fact that when
you only air 1 republican call for 1
democrat call you are now changing
truth? I understood your dilemma when
calls run 5 to 1 against Clinton - you
must get tired of that statistic. But
when you cut out the other 4 republican
calls you get - you have changed what
is into something which is not. You
have taken it upon yourself to CENSOR!
Your listeners are now under the false
impression that all over our country
one agrees with Clinton agenda & you
doesn't. This is false - and if you
can't accept the truth it's time to
fold up your text and go away -

which would be a shame.

Please don't become one of the mainstream media - we need the voices of Americans - and if most don't like the Clintons, so be it. I find myself muting out every other call you get, and we are independent voters. Please - put truth first. Don't ruin the most informative show our country has.
