Your coverage of
Politics 92 and any
other subject the people
should be aware of is
in the best. Many thanks
for the best information
ever.

I have a couple of
questions, if someone
would be so kind.
First, can anyone there
tell me what the Bush
boys were doing during
the Vietnam altercation?
over

Secondly, is the ~~the~~ Bush
boy that was involved
in the Los Angeles going
to be charged, tried,
or what. Is he off scot
free? It has appeared to
be a closed issue or is
awfully quick. I would
like the info. Thanks.
appreciate all of you.
