Gentlemen

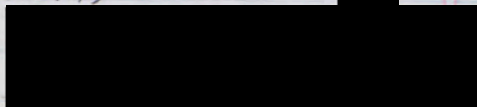

Although I knew my TV set was set on C-SPAN, I thought I was watching CNN! It was the morning of Oct 8 and your guests were Mr. Chase, Pres. of National Ed Assn & Mr. Norquest of the Americans for Tax Reform. I do not remember your male moderators name, only his unprecedented liberal bias! Mr. Chase was allowed to nearly dominate the entire conversation, plus he was permitted to butt-in when Mr. Norquest was speaking! to prove my point record the "time" allotted Mr. Chase as against "time" allotted for Mr. Norquest. Mr. Chase was permitted to espouse his most

O.W.

liberal views, on & on, with no  
intervention by your moderator.  
Shame on you for allowing this  
to happen! It wouldn't have if  
Bryan had been in charge. C-SPAN  
is the last hope, the last bastion  
where the common people can  
hear & see comments honestly  
given to both sides of an  
issue. In order to keep it  
fair both sides should be given  
equal time! I also noticed  
that the male moderator cut  
off "call ins" that were basically  
giving a conservative view  
saying several times that  
"due to time involved".

I hope you will keep  
your interviews FAIR, by  
giving each party equal time,  
and not let either person  
dominate & rudely bullying in on  
the other's time. (over)

Sincerely,

Houston, Texas 77079
