Dear C-Span,

Santa Clarita, CA 91321

Thank God for C-Span.

I'm so glad we have the opportunity to watch C-Span. It is educational, it is fair, we can see both sides operate.

Please don't change anything. I guess I'm addicted! I get up early in the morning to watch your call-in program.

I'm sure we all have our bias but, it is so good to know that every thing is done fairly.

I have confidence as I watch that calls aren't screened and everybody has the same opportunity to call.

Since I'm on a fixed income, I can't afford to call but, enjoy hearing others call.

My being conservative, of course, I like those calls better but, it is easy to accept the others because I know things are done fairly and it is good to know that everyone & anyone can call.

We do appreciate you & do keep up
the good work.

Thanks again for C-Span.

Sincerely,
