1. Thank You for the Complimentary (89) Congress Handbook
2. Tuned in the Text Mode with Caption Decoder Programs

A. All Programs are Good - Only For Hearing Degenarate Persons
with Caption Decoders - I Have a Caption Decoder - But am very
Hearing Impaired - ALL the programs are not good for me - cause I
cant hear them. Programs must be Captioned to be of any value
to me

B. Why not Caption some important Programs once in
a while.

- C. ALL Hearing Impaired persons with Caption Machines & Watch
C-Span - would appreciate some C-Span Captioning

Thanks Again
