1:15 P.M. EST. Lou Ketcham

interviews DECONCINI - during which SCAM interview - a woman calls asking about a court decision - in which JUDGE THOMAS defended the Danforths (a very vague allusion).

Ketcham almost breaks his thumb cutting off the call. I'm guilty REFLEX, immediate deniable complicity is obtained from the corrupt (by a thousand C-SPIN S+L propaganda charges) DECONCINI - AND by Ketcham by the usual LAMB "METHOD".

"I didn't get that last part, did you, Senator?" DECONCINI (the brave) =

"No, I couldn't understand it either."
(I heard it perfectly!) Now to someone (80% of the confused [by TV] brainwashed U.S. NAIVE media believers) who didn't know immediately what the woman was referring to - the Ketcham-Deconcini coverup was completely effective.

But obviously Ketcham knew what she was talking about or he wouldn't have been so quick, anxious + guilty!

Phew!! The charade is saved once again - 'is Ketcham and the CON-SPIN media Gestapo are under strict ORDERS NOT to allow the THOMAS-DANFORTH - RALSTON-Purina Connection - to see the light of TV proliferation. (This is what the whole hearing is really about.)

This of course refers to the imminent scandal - which DANFORTH and JUDICIAL THUGS, Duberstein are hovering over UNCLE TOM'S shoulder to prevent from breaking into TV revelation. They are there to remind BIDEN and Kennedy what will happen to them if they DARE to broach the subject - or let it be brought up!

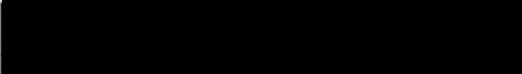

Of course this is really about THOMAS' very brief court career - which he was promoted in to - in order to protect RALSTON-PURINA Corp. and absolve it of a \$10.4 million damage suit. Who is Ralston-P.?
Why the DANFORTH Family - naturally!
Since then - Thomas has been under DANFORTH'S wing - waiting for the BIG Payoff.

Which brings us to BRENT BOZELL and Co. - the fascist media THUGS of Georgie Bush - and the "mysterious" threatened SLANDER-VIDEO on BIDEN and Kennedy - which was a threat - a threatened Blackmail - on the chairman of the committee - just before he was about to open hearings on the appointment - a piece of BOLD and Blatant MEDIA threat and Blackmail - for which BOZELL and his THUGS should be under indictment - right NOW!
(BUT the fascist-owned media - never puts the spotlight on its brother-fascist attack-hounds from Hell!)

Biden was shown (by the treatment already meted out to Kennedy) - what he could expect from the NAZI attack dogs of fascist American "mainstream" TV - IF he allowed the committee to broach the SUBJECT of the DARTFORTH - KASSON - FURINA - Thomas Liberty connection.

Oh - Fearless Warriors / And - as usual - our media Gestapo's Friends at C-SPAN (in on the ground floor) are charged - as is the REST of the BUSHHOUS - owned "mainline" media - with keeping this little piece of political dynamite off the AIR WAVES (AND NAZI-owned cable channels) - until safely after the coronation - preferably until after the grand coronation of the Emperor Bush. We see CON-SPAN in its consistent ROLE of NAZI media suppression, to protect wall street masters, the establishment oligarchy and the Gestapo spooks of the Pentaganist CIA colonial empire!

The Attack Dogs - of Reaction
and the NEW world Dictatorship - Triumphant.
