Dear Ms. Hunter:

I would like, on behalf of myself and American Atheists, to heartily thank you one and all at C-SPAN for broadcasting Dr. Madalyn O'Hair's address to the Twentieth Annual Atheist Convention last April. The Atheist viewpoint has been treated as though it doesn't exist far too long in this country.

We're encouraged that a major media firm such as C-SPAN took us seriously enough to cover what we members of American Atheists feel is our finest hour.

Thanks again, Ms. Hunter.

Sincerely,
