

10-11-99

By a way of flipping through  
the channels I found the  
channel about Presidents. I  
turned it on and was very  
happy I did. It was about  
my favorite president, - F.D.R.

I was born [REDACTED]

[REDACTED] I always felt so proud  
that my birthday was on  
the same day as [REDACTED]

I was always so happy with  
the way the man handled  
our country.

The whole program was  
handled so well and with

such knowledgeable people.

Thank you so much for  
giving so much information  
about our presidents. Its too  
bad that there are not made  
required for each and every  
child.

I plan on watching again  
when my second favorite president  
J. F. K. is on.

Thanks again -
