

short time we spent there in '84.

One thing I found a slight bit irritable was the interview allowed the spokesman from the NIO referring to the Civil Rights movement as a "perception" of discrimination by the minority when Great Britain leads the western European area in civil rights violations (Amnesty International, Liberty, the European Court of Human Rights, etc.) All in all though, your program was great.

Sincerely,

[REDACTED]

October 8, 1992

Dear Editor:

Just wanted to let you know how I appreciate your program on the politics in northern Ireland. Contrary to our press in America, your program showed that the conflict had little to do with religion which is what my wife and I found to be the case in the
