

[REDACTED]

This is not my phone number
It's my landlord, Larry Fritch's
phone number and he is
very generous with his phone.
I live one floor above him
and have easy access.

I did it!

Next, I have no idea what
we'll talk about but I'm a
good listener.

This card is something
that I felt was necessary
and I will continue to
have the warmest regards
for you regardless of your
response or lack thereof.

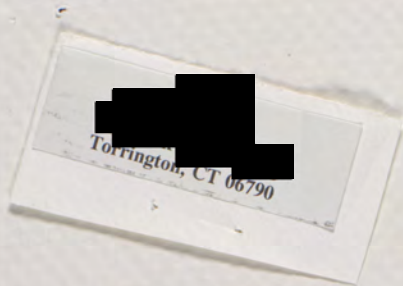

With love, [REDACTED]

Dear Brian,

Due to my lack of knowledge
pertaining to current events
and lack of self confidence
in demonstrating such, I
have been unable to allow
myself to call you even
though the desire has been
strong. You have earned
my respect and much
more.

Glad that your feeling
better, your cough has
disappeared.

I am now drinking a
wine spritzer because
this next step feels a
little inappropriate. If
so, please disregard.

This matted card is suitable for display,
with or without a frame.
Fits in a standard 4" x 6" frame.
