

March 24, 1999

C Span Channel 15
400 N. Capital Street NW
Wash. D.C. 20001

Couldn't you alert your Republican guests not to be so rude? To have a guest as you did today (Rep. Deen or someone or other) from California berate our press & call him a rapist is beyond belief.

I cannot bear to watch C Span if you have these bigoted stupid people. We are too intelligent. Evidently most Americans would agree. Check the polls.

Sincerely,

[Redacted]
