As I do not know the price of
the two VCR, please either
phone - or - write.

For myself I want your program.
For my twins, I want the two tapes
(they live in Houston and Fort Worth).

Believe it best you write so that
I may determine the full cost
and give you my Visa number.

Looking forward to your letter.
Also, my sincere applaud to each
of your personnel - behind the
scene and in front of T.V.

Sincerely
