To Whom It Concerns:

A brief note of thanks
for your excellent series,
"AMERICAN RESIDENTS WIFE
PORTRAITS."

Your efforts to re-create
these fascinating men and the
first ladies with location
shots, first-rate authors
and historians is definitely
a television highlight.

My thanks to the cameramen
and women, writers, guests
and certainly not least, the
un-touchable gentleman who hosts
and interviews with acumen
and style.

Yours truly
