Dear Sir

Excellent show about Northern Ireland on C-SPAN, Saturday August 29, 1992!!! Am interested in obtaining copy of show. Please advise if it is possible to purchase copy of show. I would have taped show, but did not know how long the show would be. Our local newspaper has no listing on C-SPAN shows in daily TV listings. Just by accident did I locate your show on Saturday. The two hours certainly were enjoyable!!

Am a member of Ancient Order of Hibernians here in Richmond and am interested in what is going on in Ireland. Have visited in the Derry area and do know John Hume. In fact, on one of his visits to this area, he was Grand Marshal for our St Patrick's Day Annual Parade here in Richmond. Would like to receive copy of your show so I can show the tape at one of our monthly meetings.  
Thank you for your cooperation in this request

Sincerely
