Re: James Witcover -

Dear Mr. Lamb:

We watch C-Span all the time because we feel that you have so much integrity + fairness - We like you a lot. But, last nite your coverage of Pres ~~Wagon~~ ^{Wagon} reports services in N.Y. + Calif ~~was~~ ^{were} beautiful but why did we have to listen to Witcover tearing him apart at this solemn occasion - He could just write how much he hates him in his newspaper columns but not last nite - very poor taste - Don't have him on your great programs - He'll ruin your shows.
