

April 6, 1992

Dear C-Span

I especially want to thank you for providing a forum for Larry Agran and ~~the~~ ^{the} two others who appeared with him on the Rainbow program.

I think it is really sad that the Democratic leadership did not allow Larry Agran to participate in the debates.

Thanks again for your efforts to provide information not available in the regular media. It gives me hope for the future.

Sincerely [REDACTED]
