To C Span,

Northwest 4/2
Washington, D.C. 20001

On June 8, 1991 C Span broadcast the
National Victory Celebration in
Washington D.C. and very nicely to.

I taped it on my V.C.R. However
when I played the tape recently I
found that some of it had been
had been wiped out by accident.

Did your company make tapes
of the parade which can be bought?
Or do you know of any company that
did. I would like to hear from you,
if you do or do not.

It was a great Parade and done
so well by the camera crew.
Sincerely,
