

C-SPAN

I can tell by your well rounded programming that C-SPAN has a certain "wisdom" about our world. As I've been watching the SENATE ETHICS COMMITTEE ~~over~~ over the past 2 weeks this following question keeps coming to mind:

Can C-SPAN please explain why are some senators apparently unable to use their power in moderation, while others are? ~~not?~~

Also, I want to know... why are gross excesses of power so fascinating to us?

C-SPAN :

Countries that burn
as much gasoline as we do
have to go get that gasoline.
Other countries aren't going
to GIVE IT to us!

So rather than fussing
with Hussein why don't
our troops find ways to
make themselves more AT HOME
in that part of the world?
I honestly doubt if we are
going to cut gas consumption
over night or ~~within~~ ^{any time} before
we see how much it REALLY
costs.

P.S. ARE ANY OF
C-SPAN'S FEMALES
SINGLE? ANY WILLING
TO WRITE TO AN
INTERESTED VIEWER?

I HAVE RICH PARENTS

OF MY FAMILY HAVE
WRITTEN BOOKS THAT
HAVE BEEN PUBLISHED.

I KNOW THE CURE
