Dear Friends at Washington Journal,

It is indeed rare for me to write a letter to a broadcast company or even my own Congressman. However this morning's program has compelled me to let you know of my disappointment with the last hour of Washington Journal. This disappointment arises from the lack of coverage of articles from newspapers around the country. I can't tell you how many times I have heard on C-span what has not appeared in any of the three papers I read each day, only a couple of callers had read the Norpers' article therefore there was not even the usual back & forth views & exchanges. I have been a viewer for many years and I sure hope this morning's program doesn't set a pattern for the future. Newspapers are great but it is through C-span I try to stay informed. Sincerely,

O.W.)
