Your 'R' guests and callers
made a great dart board
illustrations, and a great
way to vent our anger
and resentment at this
conservative. Gang rape,
another R-Herd - Gerten?
from another R foundation.
The Clinton Supporters find
it ludicrous that C-Span
quotes every anti Clinton
articles gleaned from which
everyone knows is totally
controlled by conservatives.
The unfairness is gross,
and it makes you appear ^{so} biased.

Clinton Supporters - as long as it takes C-Span
