Brian you are so obviously anti- our president, probably one of the most intelligent ~~young~~ men we have ever elected. You showed that headline about a "tumble in the polls", but I notice you never read aloud the anti-Dole editorials in the NY Times. Reagan never served in the military as numerous other presidents did not. I wish you ~~sp~~ could just one Friday find some other smart people who don't run Clinton down. It's a disgrace. You must really have to hunt for all these right-wingers. Compared to Reagan and Bush Clinton is a BRAIN TRUST.
