

Dear Brian Lamb - April 5, 1999

I don't think I've ever seen
a more delightful program in my
life than your 20th Anniversary
party with David McCullough. His
enthusiasm is marvellous.
But what I loved the most was
the song he sang -

Many times over the years, I've
seen broadcast the speech or talk
Edward Murray gave about what
television could be - and I think
you have created the best it can be.
I didn't really think I'd live to
see a channel like C-Span - I can
still hardly believe it. You're a
Treasure -

Sincerely,

Las Cruces, N.M. 88005
