

To Whom It May Concern;

On Saturday, August 22nd, I watched Max Frankel deliver a speech to The Aspen Institute. Finding it informative and interesting, I reached for pen and paper to note how I might obtain a reprint for further study.

To my dismay, C-span printed this information in illegible lettering on a cluttered background for about 5 seconds, making it impossibly difficult for one with subnormal eyesight to read it, let alone write it.

Such a distinguished philos-
