Hello Mr. Lamb,

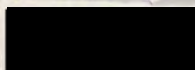

I am writing to thank you for broadcasting the Promise Keeper event Oct 4, 1997.

The icing on the cake was it was broadcast in its entirety and unfiltered.

My husband attended and because of your broadcast I was able to participate and feel connected. Thank you!

Since discovering it, C-SPAN has become my favorite channel. The opportunity for learning is incredible!

I look forward to receiving C-SPAN on the radio and hope that it will be a reality soon in the Williamsburg area!
