Dear Elected Federal Officials and Media Personnel,

America is no longer the "Land of the free".

When our forefathers designed documents, such as the Declaration of Independence; the Constitution; and Bill of Rights, they did so with the thought that anyone seeking elected office would have the best interests of all their constituents in their hearts, minds and actions. And if the policies and programs that they were representing were not agreed to, accepted or wanted by the majority of Americans, they would not be voted for, or elected by the voting public.

Our founding fathers had great faith in all our goodness and ability to govern ourselves, and that freedoms of the press would be used towards this end.

Proof is available, and it is self-evident, that Americans' Constitutional rights, privileges and freedoms have been systematically stripped from them by a handful of wealthy and powerful men and women. These people have used their wealth and power, and that of their Parties' Allies and Comrads to attempt to take total mental, monetary and military control over a once, free people.

An encyclopedia could be filled with the unconstitutional criminal and treason acts perpetrated by many elected federal officials.

To our Federal Elected Employees:

Lose your dillusions of grandure and power now, and be put on notice. YOU WORK FOR ME AND ALL OTHER AMERICANS. Our tax dollars do not belong to you, to sqander at will. But are our hard earned monies, released to you, to benefit all of us.

You have lied to us, cheated us, murdered us, and allowed us to be murdered, through your actions and inactions. And many more needless deathes will occur before you can right your wrongs.

(2)

As one of your employers, READ MY LIPS, "You will never again lie to us, or cover up your actions or inactions, or intentions for or against our well being." When you are asked any questions, by anyone whose job is to inform us, your answer will be direct, accurate and in laymans terms. You will never again interfere with, or in any way, edit or influence the pictures or words gathered by the free press.

You will never again interfere with, or use your influence, or in any manner, stop the access of the Free Press, to any place, at any time. With very, very rare exceptions, and never during an invasion of a foreign country. The Pool Method of Americans' receiving news, will never occur again.

If you ever use the words, "national security", as a reason for not revealing your actions, be ready to define every reason, why,

You will start now and continue to use a consensus from the most knowledgeable people in any particular field without bias or prejudice, to support and act upon the needs of the American people, and to keep them, to the best of your ability, safe, secure and informed.

If you, for any reason, do not feel that you can, or are not willing, or are unable to fulfill your obligations to us in a free, unbiased and truthful manner, leave now and you will be replaced.

However, if you wish to remain as our employees, expect to be watched, listened to, judged, loved or hated.

To find greater ease in doing the job that our forefathers intended, may I suggest, that in your mind and heart, you look upon every citizen as you would YOUR CHILD, and that every action you take, directly relates to, and immediately effects or influences your child's health, safety and security.
