

Sept 3-1993

Dear Brian Lamb.

I'm told by our local cable company that if you do not renew your contract with them we will only receive C-span from 3 A.M. to 3 P.M. as of Sept 1-1993 those are the hours.

I am now 70 years of age and until C-span I thought the same world had disappeared.

Tammy just wrote "Thank God  
for C-span" most of your callers  
say this. Love you all.

Very Sincerely

South San Francisco, Ca, 94080
