Dear Mr Lamb;

I could see the shocked
expression on your face when
a caller likened you and
Limbaugh to the ones who
led to the rise of Hitler.

I am a conservative who
agrees with Rush most
of the time. However, I don't
know your leanings, you
treat Conservatives and Liberal
guests exactly the same.

Keep up the great work
you do. C-Span is a
great service to us who
watch even sparingly
because of other duties.

Sincerely,
