

C-Span
Suite 155
400 No. Capitol St. N.W.
Washington D.C. 20001

April 19, 1984

I watch C-Span because of Brian Lamb who is extremely charming, his voice makes whatever he is talking about more interesting; he is gentle in his interviews but able to ask the hard questions without irritating his interviewee. The material you present is not found on any other TV channel.

Sincerely,

[REDACTED]
