Investigative Reports on European Politics February 15, 1992

Source = World Encyclopedia of Political Parties  
and Systems, a Facts on File Publication, 1983.

How about doing a few interviews  
with the seven European embassies  
on their publicly-funded-as-you-vote  
political systems?

The countries: Austria, Denmark, Finland,  
Germany, Italy, Norway and Sweden. Also  
Australia. Eight countries in all.

I think this information is timely and  
newsworthy, important and interesting.

C-SPAN could help de-mystify this phrase:  
public funding, that comes up over and  
over again.
