Dear Sir/Madam:

Thank you for C-Span! It's what my husband and I watch more than anything else. It seems as if that's what we automatically turn to when we turn on our television.

I only have one complaint. I think you recently changed your screen format and it's fine except for one thing. We cannot read the extreme left hand side letters; such as, R - John Doe. We do not see the "R." Would it be possible for you to make a wider left margin? That would be great if you could do it.

Thank you again for such a educational presentation.

Sincerely,
